

# TRANSPARENS

THE FIRST RECORDS OF THE WORD TRANSPARENT COME FROM XV CENTURY, THE MEDIEVAL LATIN VERBS "**TRANSPĀRĒRE**" MEANING "TO SHOW THROUGH".

# 2024 CAN BE A DESCY YEAR

SOMETHING IS BEING COOKED SINCE LONG.

**IP-NFT**

# THE PROBLEM OF THE PROBLEM

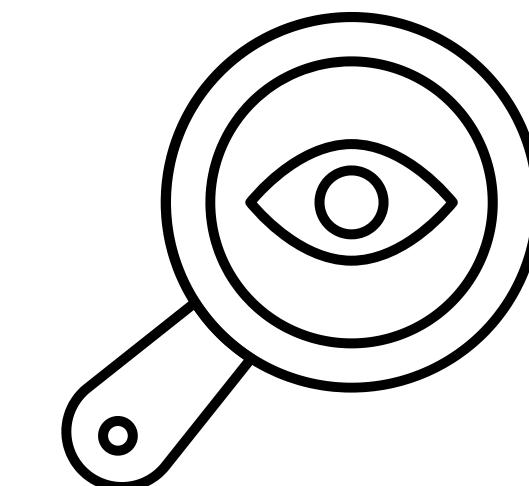

## GUARANTEES

### 1. Compromisse from Researchers

### 2. Transparency to the Investors.

# THE SOLUTION

- **PRE-IP NFTs**

This are like seed investments for highly potential IP-NFTs once the research is completed.

- **Project as Collateral**

If the team doesn't accomplish on time, THE RESEARCH will be LIQUIDATED.

# SOLUTION OF THE SOLUTION

## RESEARCHER COMMITMENT

- 1.The research is liquidated after deadline
- 2.Is not possible for them to re-buy in.

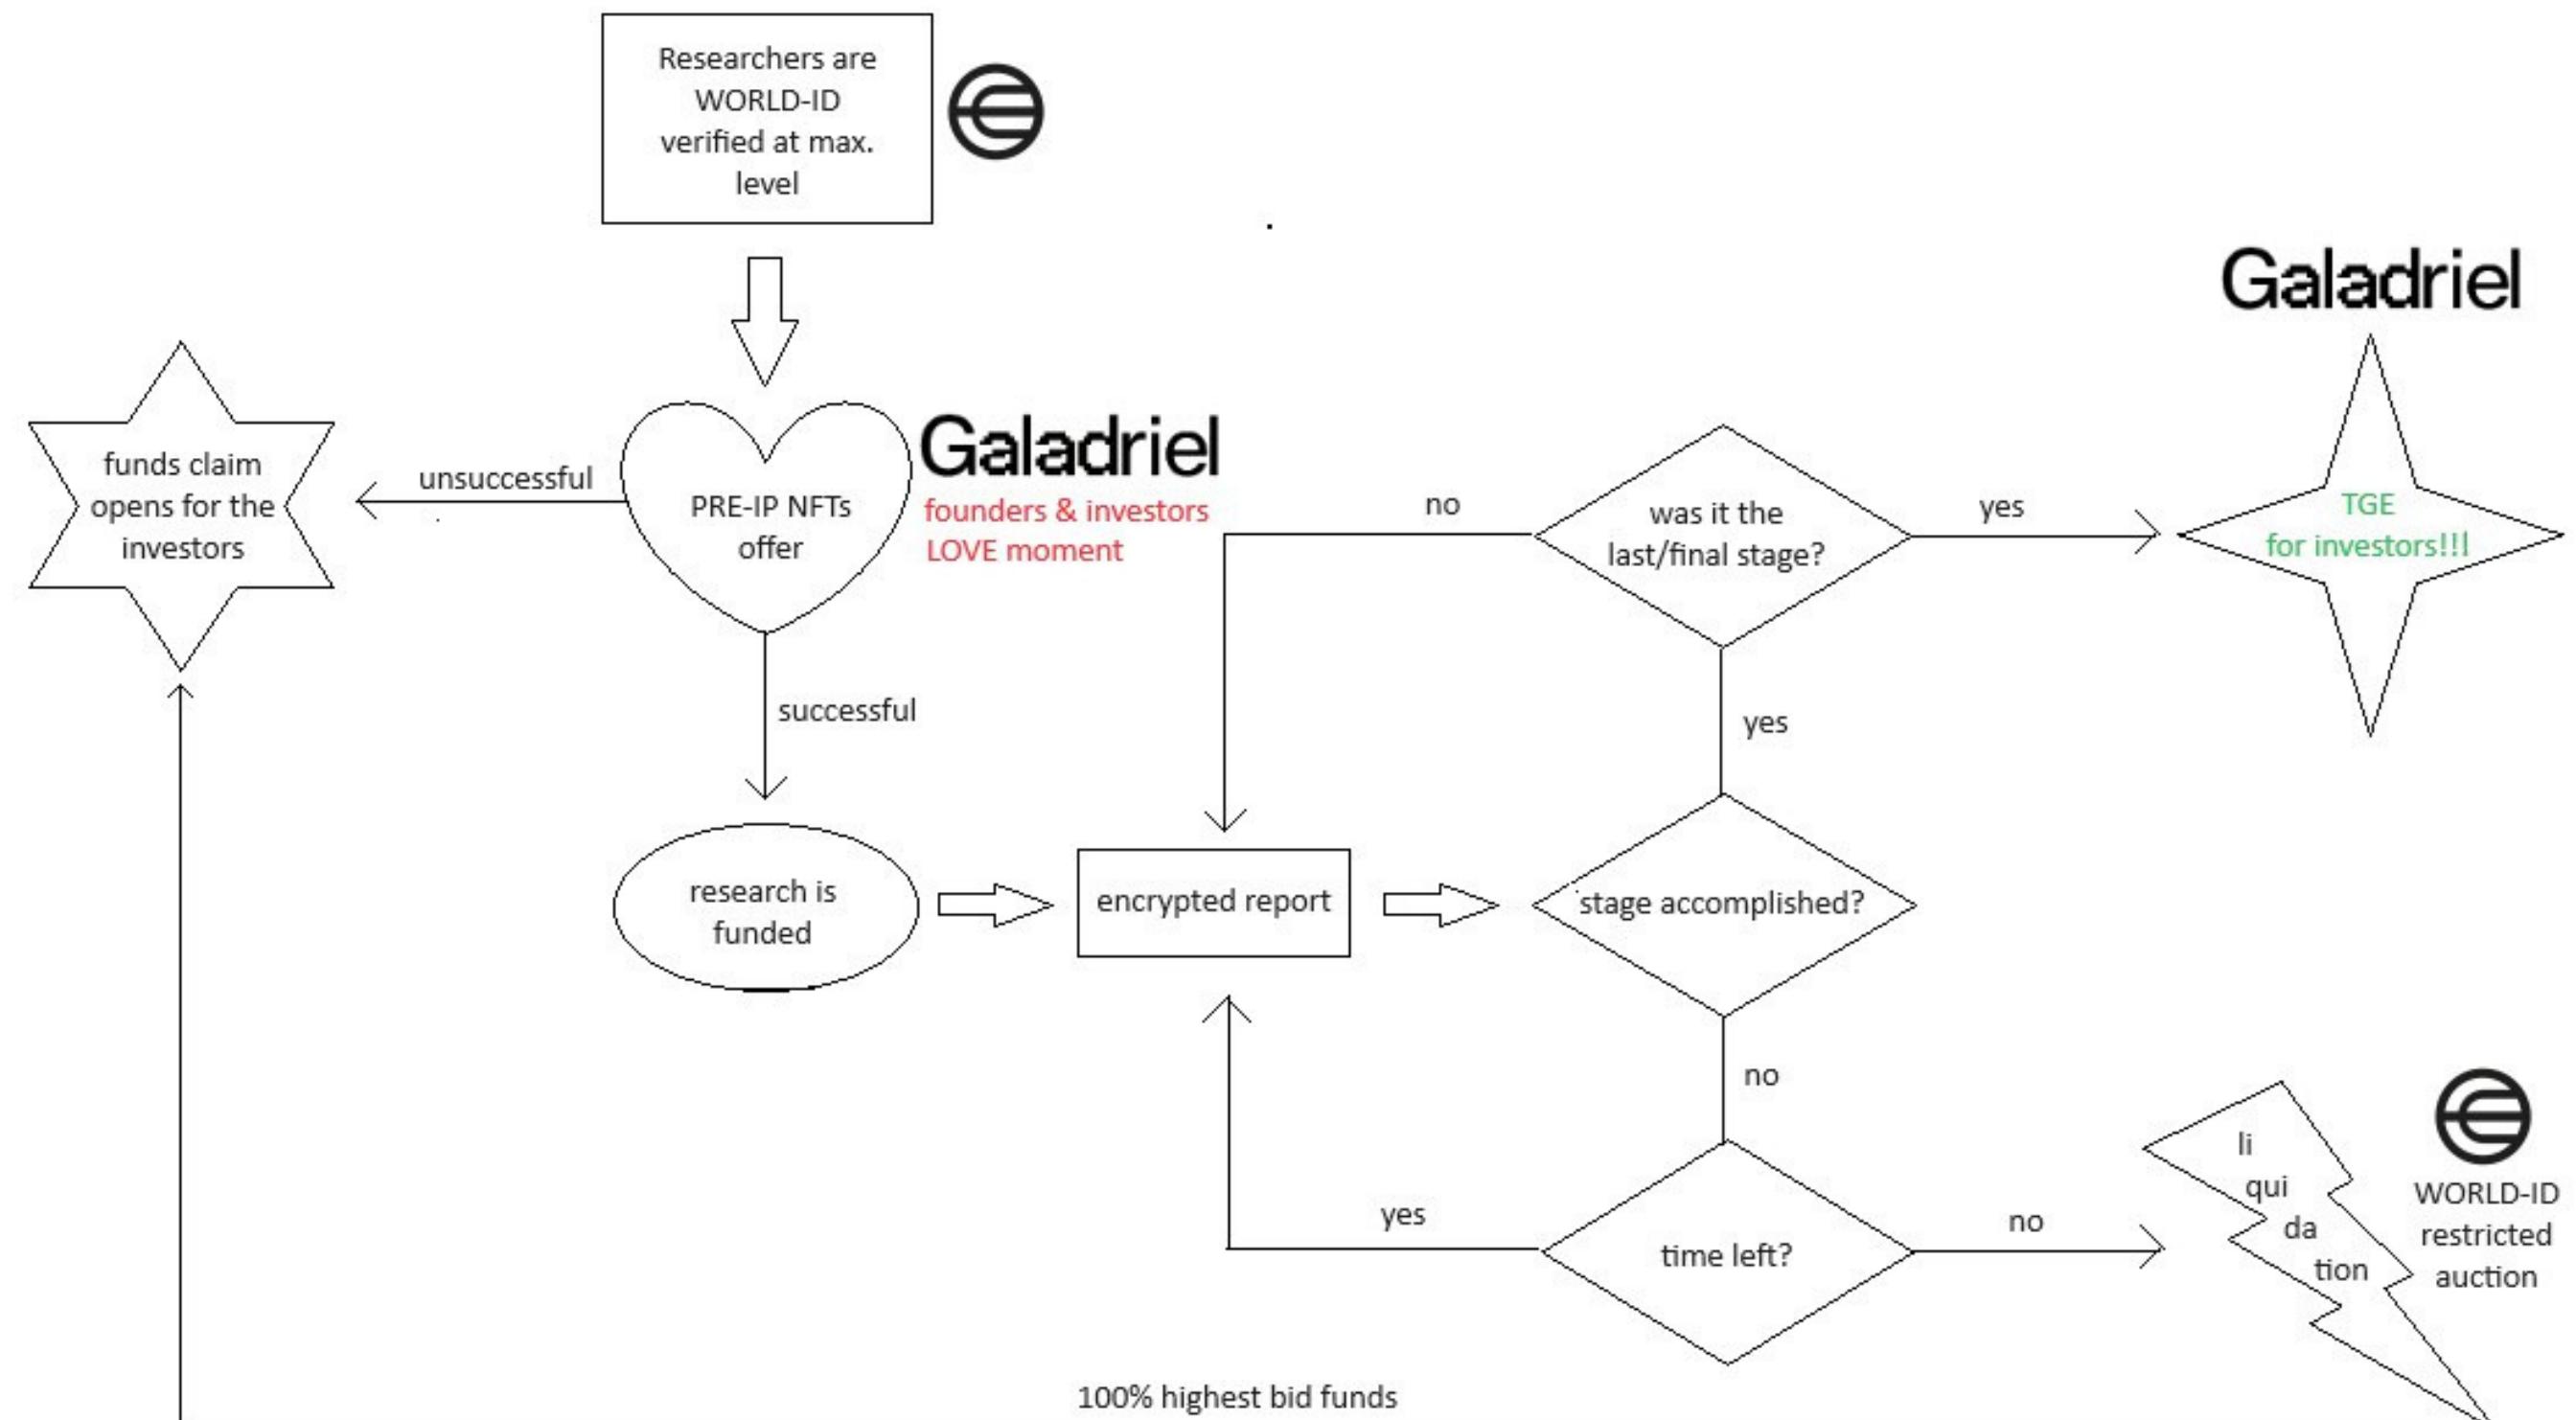

## TRANSPARENCY TO THE INVESTORS

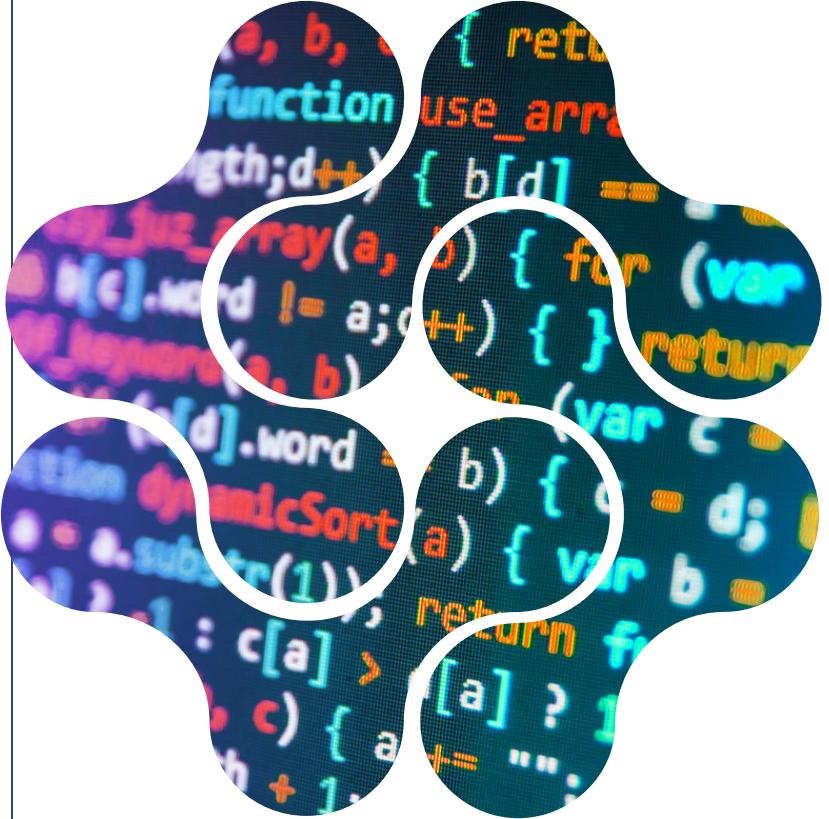

- 1.Transparent but secured reports to investors.
- 2.Research as collateral
